July 2026

TO: ALL PARTICIPANTS OF THE MICHIGAN STATE PAINTERS INSURANCE FUND

RE: LOSS OF TIME / SHORT TERM DISABILITY BENEFITS

Dear Participant:

As you may know, the Board of Trustees periodically reviews the Plan to assure that the Fund is providing the best, most affordable benefits possible. Following review and discussion, the Trustees have elected to make the following change to the Plan effective September 1, 2026:

The Loss of Time / Short Term Disability Benefits amount will be increased from the current three hundred and fifty dollars (\$350.00) per week to five hundred (\$500.00) per week. The maximum benefit payable will remain twenty-six (26) weeks.

Effective immediately, licensed nurse practitioners and licensed physicians' assistants certifications of disability are accepted by the fund office.

If you have any questions regarding the above, please do not hesitate to contact the Fund Office.

Sincerely,

Michigan State Painters Insurance Fund
Board of Trustees
